

JLMC Meeting

12/23/2019

Those in attendance: David LaPointe, Amy Fisk and Linda Heath. Absent: Amy Adams, Jody Bates, Carrie Frederiksen, Darlene Rollins, Janel Morin.

The minutes from the August 23, 2019 meeting were reviewed.

David shared the following:

- He has heard nothing regarding the replacement of the lift in Troy.
- He will send reports to committee members as he gets them.

Amy F said that she would share the Safety Manual via Google Drive.

Linda will send an email asking Tom Cote about the discussion on the AED and sports teams. There will also be an email to Janel to see if she has had the opportunity to get the information regarding drug testing after accidents to Scott Peters yet. We recognize that she has been very busy with the conversion from ADS to IVisions.

New Business:

A list of Winter Safety Tips was distributed (It will be attached in an email sent with these minutes). Please print and hang up in your buildings. David would also like there to be a conversation with students on ice safety on ponds, lakes, etc. He feels that this is very important to discuss with them.

Agenda for next meeting (March 3, 2020 @ 3:45 PM – Wilcox Building)

- Sports Teams and AED
- Drug Testing

Meeting adjourned at 8:28 AM.

Respectfully submitted,

Linda Heath
